*****Summer Dog Days

The dog days of summer refer to weeks between July 3 and August 11. They are the hottest days of summer. It's called dog days not because the temperature can make you pant like a dog. The days were named after the Dog Star (Sirius) which rises around this time. Ancient people blamed the star and associated it with war, diseases and disaster.

ITUNES AND TARGET GIFT CARD SCAMS

DO NOT FALL FOR IT!

RED FLAG: No reputable company nor the IRS or any government agency will ever demand payment via gift cards.!!!

RED FLAG: If someone asks to listen to your balance inquiry phone call or wants to look over your shoulder while you enter the numbers, it's probably a scam.

RED FLAG: If someone tries to get you to purchase a particular gift card, it could be a scam. Pick a gift card from the middle of the rack or from a less-frequented area of the store.
